CHEM RESIST ENVIRONMENTAL POLICY STATEMENT

Chem Resist Group Ltd views the environment as an aspect of the business that will be managed and consistent with other company policies, (e.g. Quality and Safety).

This Environmental Policy commits us to:

- Comply with all applicable environmental legal and regulatory requirements.
- Monitor all business activities and their resource usage to identify opportunities to minimize waste.
- The continual improvement of our environmental performance and the prevention of pollution.

This policy provides the framework for setting and reviewing environmental objectives and targets that can be measured and analysed.

Our policy will be communicated to all employees and suppliers working on our behalf to ensure that they are aware of our environmental policy.

This policy is available to our customers, suppliers and to the general public through our web site.

It will be reviewed annually for continuing suitability during formal management reviews.

Simon Hewitt
Managing Director
