

# Project Profile : Tank Farm Project – Large Side Manways - WTW

End User : **Water Treatment**

## Scope :

- Design, Manufacture and Install chemical Storage Facility
- Alternative to GRP

## Equipment :

- 12 x Chemical Storage Tanks
- 900mm Side Manways

## Key Benefits :

- Predictable design life – BSEN 12573 (no fill cycles)
- Homogeneous tank construction
- Maintained lead times
- Large side manways
